Only complete this section if you are seeking a volunteering role working with children, young people or vulnerable adults.

All our volunteers who are seeking a role working with children, young people or vulnerable adults are required to undergo a DBS check (formerly known as a CRB check). A criminal record is not necessarily a barrier to volunteering. If you do have a criminal record, your suitability for a volunteering role will be assessed according to your record's relevance to the role.

willing to undergo a DBS check.
