

To take part, simply cut along the dotted lines on the paper chain template below and write a message of love and goodwill to others in your community on each link. What do you think might make someone smile? A few kind words can go a long way. Finally add a bit of colour, loop them together with glue, then get in touch with Alive on harriet@aliveactivities.org or call 0117 377 4756.
